

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 25

March 4, 2011

SUMMARY OF BILL: Requires the curriculum for appropriate grade levels to include energy conservation. This instruction shall include how to conduct an energy audit in the student's home. Requires the State Board of Education to include energy conservation when developing frameworks and curriculum for grades K-12.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, energy conservation is included in the science and social studies curriculum. An energy audit is not included in current curriculum but will be added during regularly scheduled revisions.
- Any professional development for teachers to incorporate curriculum revisions will be done in the course of regularly scheduled professional development without additional sessions.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink, reading "James W. White".

James W. White, Executive Director
